

Website Accessibility Certification

California State Auditor

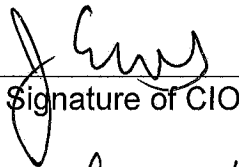

Jeremy Evans (jeremye@auditor.ca.gov)

We certify that, as of July 1, 2019, the California State Auditor's internet website is designed, developed and maintained to be in compliance with California Government Code Sections 7405 and 11135, and the Web Content Accessibility Guidelines 2.0, published by the Web Accessibility Initiative of the World Wide Web Consortium at a minimum Level AA success criteria, with the following exceptions:

- Older reports are only available in PDF format. Members of the public who need assistance reviewing reports published before June 2015, should contact our office for assistance.
- The layout of the website does not adjust to the user's screen size. This will be resolved the when we complete the redesign of our website.
- Our online Auditor Evaluator I exam requires the analysis of a complex visual flowchart. Applicants who need a reasonable accommodation for an accessible format may request one.
